CAREER OBJECTIVE

Enthusiastic and analytical 4th-year Computer Science & Engineering student with a strong foundation in full-stack web development and data analytics. Adept at designing secure architectures, modern frontends, and working with complex core datasets. Proven track record of team leadership and structural management in campus organizations. Seeking an impactful role in software engineering or web development to contribute to high-quality industrial software systems.

CORE SKILLS

Frontend Web Dev:	HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Tailwind CSS
Backend & Security:	Node.js, Express.js, Proxy Configurations, Custom Auth & Web Security
Programming Languages:	Python, C, C++
Analytics & Software:	Google Analytics, Git & GitHub, Microsoft Excel, PowerPoint
Management & Soft Skills:	Project Management, Time Management, Team Leadership, Presentation, Negotiation, Public Speaking
Languages:	Bengali (Native), English (Fluent), Hindi (Fluent)

KEY ACADEMIC ACHIEVEMENTS & PROJECTS

Best Project Award — Microprocessor & Interfacing (MP&I)

Type/Context: Academic Recognition

- Awarded "Best Project" out of the entire course laboratory cohort for conceptualizing, engineering, and presenting an Automatic Car Parking System using precise hardware-software interfacing and automated sensor modules.

Spatio-Temporal Air Quality Analysis & Public Health Insights

Type/Context: Undergraduate Thesis Project

- Selected to execute a final-year research thesis titled "Impact of Ambient Air Quality on Heart Health". Processing large historical AQI datasets to uncover definitive spatial and temporal correlations for public health enhancements in Dhaka City.

Full-Stack Application Deployment (Payoo, DigiTools, SunCart, Wanderlust)

Type/Context: Independent Software Development

- Engineered digital asset marketplaces and dynamic platforms implementing advanced backend architecture, robust proxy server handling, custom data security layers, and user state preservation.

EDUCATION

Metropolitan University

Bachelor of Science in Computer Science & Engineering (Final Year) | Timeline: 2022 — Present

Moulvibazar Govt. College

Higher Secondary Certificate (HSC) — Science Group | GPA: 4.42 / 5.00 | Timeline: 2019 — 2021

Shaheed Sudarshan Govt. High School

Secondary School Certificate (SSC) — Science Group | GPA: 4.72 / 5.00 | Timeline: 2017 — 2019

LEADERSHIP & CO-CURRICULAR EXPERIENCE

CSE Society, Metropolitan University — Former Office Secretary

- Managed departmental event logs, strategic task allocations, and official communications between faculty board members and engineering undergraduates.

MU Sports Club — Former Office Secretary

- Coordinated inter-university sports fixtures, kept official document repositories, and structured scheduling constraints for multiple sport verticals.

MU Cultural Club — Joint Secretary

- Helped oversee event budgets, stakeholder negotiations, and led a multi-member cross-functional collaborative group for university-wide cultural assemblies.

PERSONAL INFORMATION

Father's Name: Late Gonesh Chanda

Date of Birth: January 01, 2003

Marital Status: Unmarried

Hobbies: Reading Books, Volunteering, Travelling

Mother's Name: Joyonti Chanda

Blood Group: O (-ve)

Nationality: Bangladeshi

Sex: Male
